Sir:

Upon review of the application after receipt of the Notice of Allowance, it was noted that the Information Disclosure Statement filed April 23, 2003 and the accompanying Form PTO-1449 incorrectly listed the volume number of one of the Chemical Abstracts documents that was cited in the International Search Report. In particular, Chemical Abstracts, Vol. 75, No. 98063 was cited as Vol. 65.

In order that the face of the issued patent will correctly reflect the Examiner's consideration of Chemical Abstracts, Vol. 75, No. 98063, as cited in the International Search Report, and as received by the Patent and Trademark Office as confirmed in the Notification of Acceptance of Application Under 35 U.S.C. 371 and 37 C.F.R. 1.494 or 1.495 mailed October 18, 2001, Applicants are submitting a Form PTO-1449 listing this document including Vol. 75.
